Welcome to Children's Day In!

Our mission is to provide your children with a safe and fun learning environment where they will learn important social skills.

We provide many activities throughout the day addressing the growth and development of the child. We plan our days with multi-learning styles in mind as well as attending to the physical, emotional, spiritual, and academic needs of children at each level.

Upon arrival each day, children are welcomed into the rooms and invited to join others in free play. This allows them to play alongside others and to learn to interact with their friends.

Each day the children participate in various activities which include a Bible story, games, music, and artwork. They develop gross motor skills in the gym and outdoor playground, depending on the weather.

We look forward to your children joining us!

Who can come?

Children from 18 months old through 4 years of age may join us to learn and play together. We welcome all children regardless of race, religion, ethnic origin, or special needs.

When are you available?

We are available Monday, Tuesday, Wednesday, and Friday from 9 a.m. to noon. The cost is \$15 for one child or \$24 for two children.

What should parents bring?

Parents provide a drink, diapers and other personal items in a backpack labeled for the child.

What if my child is sick?

If your child has a fever or any visible signs of sickness such as a runny nose or cough, please do not bring them to the program.

What if it snows?

When Upper St. Clair School District cancels because of the weather, Children's Day In is also cancelled. We follow our usual schedule when there is a delay.
